Our new membership year is starting - we hope to see you all back as continuing members. Our treasury is doing well due to all the efforts of the members at our fundraisers. The Board has set renewal rates the same as last year, and the \$20 discount for workers who have helped with our fundraisers and events continues. Some clubs are raising rates to cover the AWSC dues increase this year, but we are not. \$10 of your fee goes to AWSC.

The Board members elected this year, to three year terms, are Bonnie Pollich, Dave Rowley, and Kelly Wellhausen. At the last Board meeting the Board elected the club officers for the coming year.

Vice-President	Kelly Wellhausen

Safety School

Gary Breuckman

The Snobirds will again be offering snowmobile safety classes this winter. The classes are conducted by qualified instructors, from the Snobirds, who are certified by the State D.N.R.. Satisfactory completion of the class meets the D.N.R. requirements for certification of snowmobile operators in the state of Wisconsin.

State requirements are: Any person who is at least 12 years old AND who is born on or after January 1, 1985 is required to possess a valid Snowmobile Safety Certificate in order to operate a snowmobile on public trails, lands or frozen waters.

The course consists of three evening classes with subjects of snowmobile laws, ethics, terminology, maintenance, clothing, first aid, environmental and ecology problems.

At the end of the third class there will be a written test on the material covered. Students passing the test will receive certification.

We have two sets of indoor sessions scheduled this season. Total cost is \$10.00 The first set will be December 3rd, 10th and 17th. The second set of classes will be January 7th, 14th and 21st. All of these dates are Wednesdays.

All classes are from 6:30 pm to 9:30 pm at the Menomonee Falls Recreation Dept., W152 N8645 Margaret Rd In the Falls, for reservations call Gary Breuckman at 414-442-4278.

ADOPT-A-HIGHWAY 2003

Joe Mingari

Highway clean up #2 went off without a hitch. The usual bunch of suspects were at Whiskey Corners raring to go. After debating whose watch was correct we divided into two groups and got started at 6:05 P.M.

We were well on our way to completing the job with little or no problems when a rather large and very dead deer was encountered.

It was evident that it had been there for some time. We wisely agreed that if the DNR wasn't picking up carcasses, neither would we.

There wasn't any major finds or discoveries to report this time. Maybe we aren't looking in the right places.

The entire job took only one and a half hours with the worse area being the painted railway overpass. It's amazing the imagination the youth of today employs in the dark of night.

Debriefing did then take place at Whiskey Corners.

Many thanks to: Steve Biehl, Gary & Betsy Breuckman, Dick Brunow, Scott Makowski, Jim & Sue Nuck, Al Schultz, Bill Schultz, Ron Wendt and of course Judy Mingari.

It is really appreciated for these members to give of their time to again get the job done.

Set your sights on the next clean up, Sat. October 25th at 9:00 A.M.
