Snowmobile Alaska

Bill Schultz

I have been thinking about organizing a Snofari for Alaska. It would be similar to our two Yellowstone Park Snofaris. Fly to Alaska one day, rent snowmobiles for 3, 4 or 5 days and fly back home the last day.

I have been told there are numerous interesting places to see in Alaska by sled. We would need a local person to guide us because the trails are not marked.

I'm thinking of mid-March because the days are longer and the temperature is pleasant.

You do not have to make a commitment, but if you may be interested, please call me. If you know anything about snowmobiling in Alaska, please inform me. I do not want to spend a lot of time getting information and making arrangements if there is no interest.

2005 Adopt A Highway

Joe Mingari

Boy!! Was it hot for the second cleanup date of 2005.

Never the less with more Snobirds then ever before and more came later we attacked the litter with a vengeance. While it was very hot, (did I mention that before??) We even had first timers and some we hadn't seen for months.

With the large turn out we ran low on sticks and rings, but it did not deter us one bit.

At last count I believe we had sixteen fast moving bodies out on Hy 74.

With the great turn out we got the job done in only one and a half hours.

This of course left lots of time to cool down and debrief at Whiskey Corners.

There were no treasures or super finds this time but there were absolutely no mosquitoes either.

Due to the large number of workers it was hard for the staff at W.C. to keep up

With us. I would be very impressed to have this much help in September, on Saturday the 24th.

I cannot express enough thanks to the following people;

Steve Biehl, Gary Breuckman, Dean Havel, Bev & Scott Makowski, Judy Niemi, Linda (Mrs. Red) Pasbrig, Ron Pasbrig, Bonnie & Ed Pollich, Tom Pollich, Bill Schultz, Ron Wendt, Ron Ziglinski, and of course Judy M.

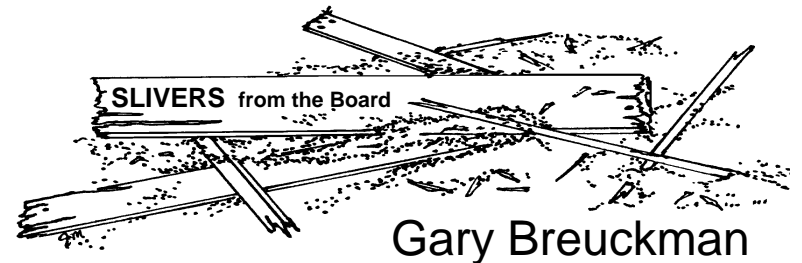

I hope I did not miss anyone.

There was also a surprise visit by Sherri & Bruce Wankowski.

It was a good night for all friends and members alike.

Please put 9/24/05 9AM on your calendar to make the final cleanup a fast one also.

Joe M.

We spent time at the last two Board meetings on planning the picnic for August 6th and the corn roast for the following Tuesday prior to the general meeting. This meeting is also our election meeting and this year we have four candidates nominated for the three Board spots, three incumbents and one new. After the Board members are elected at the August club meeting, the Board will elect the club officers at their meeting August 23rd. Suggestions welcome if you are interested in an officer position, or have someone in mind!

Last year we had about 50 people at the picnic, so far there are 53 reservations for this year. Food left over from the picnic will mostly find it's way to the corn roast.

The WCSA Raffle tickets are printed and ready for the clubs. Again there is no requirement to sell tickets, but we hope you will. This is also a fund raiser for the club, as we keep half of the money from the ticket sales. As in the past, we will also have an incentive program for those selling tickets: once you qualify by selling 20 tickets, the club will purchase for you one ticket for every 10 you sell, including the first 20 - so here's a chance to make some money for the club and perhaps win a prize for you. Club members have won in the past, including the top prize, the snowmobile, so it's a good possibility you might also!

Our WCSA map ad is due, we are looking at the rules and may be able to use some our AWSC "co-op" money, earned by memberships, to help pay for the ad.

No new memberships, it's the end of the year, but renewals are coming up soon!
