The participation in the Menomonee Falls parade went very well. We had a good turnout, thank you to the Pollichs for the use of their facility for setup and teardown, to co-chairs Mike Carlson and Casey Wibbert, to Pat Standlee for his new tow vehicle, and to Jerry Mueller for use of a large equipment trailer.

Final menu arrangements have been made for the Christmas party.

The Open House meeting went very well, and that we got seven new members this year. Our current members did a great job at welcoming the guests and making them feel a part of the action.

There was some interest expressed in getting embroidered hats similar to last year. Ron will get more precise numbers at the Christmas party. We will need a minimum order of 12. If we don't have 12, we may order some unnamed hats to get us up to a total of 12.

Safety school has 35 students at the December session. There were quite a few switching in and out as they found out about classes closer to home.

Memberships are coming in, don't forget yours. Accepted 4 renewals and 7 new memberships this meeting, with a season total of 50 renewals, 7 new, 2 carryover 2 lifetime accepted. 61 total memberships so far.

SAFETY SCHOOL

Gary Breuckman

The Snobirds will again be offering snowmobile safety classes this winter. The classes are conducted by qualified instructors, from the Snobirds, who are certified by the State D.N.R.. Satisfactory completion of the class meets the D.N.R. requirements.

"Any person who is at least 12 years old AND who is born on or after January 1, 1985 is required to possess a *valid Snowmobile Safety Certificate* in order to operate a snowmobile on public trails, lands or frozen waters. You must carry the certificate while riding and you must display it to a law enforcement officer when requested."

Enrollment is open to young persons 11 years of age and older. As this training is important to public and personal safety, a parent or guardian is welcome to attend with the son or daughter. There is a \$10 fee for registration and D.N.R. safety materials.

The course consists of three evening classes with subjects of snowmobile laws, ethics, terminology, maintenance, clothing, first aid, environmental and ecology problems.

We have two sets of indoor sessions scheduled this season. Total cost is \$10.00 The first set will be December 6, 13 and 20 at the Menomonee Falls Community Center, W152 N8645 Margaret Rd in Menomonee Falls.
