Second Adopt-a-Highway Cleanup

Memo to Self:

Try to check out the Packer's schedule before setting date for cleanup.

I found out that it gets very crowded at the starting point when there is a Packer's Game on T.V.

All that aside, we had what was the largest group of members turn out for our second cleanup. We even had a couple of first-timers. Fifteen (15!) people were there for the Six O'Clock start time.

With the large group we were able to knock off all the debris and get back to Whiskey Corners just after the opening kick-off. The game had just begun. While we did not have any money or exceptional finds, Mr. Brunow did get 'leied'. Dolly please check the spelling before getting out the frying pan.

These are the members who I want to thank for taking the time on a very hot night to come out and participate:

Steve Biehl, Gary & Betsy Breuckman, Kevin Bonnel, Dick Brunow, Dean Havel, Scott Makowski, Judy Smiley, Ed & Bonnie Pollich, Dave Rowley, Al Schultz, Bill Schultz, and Ron Wendt.

Many thanks to all of you for your efforts and time.

Please, mark your calendars for Oct. 6, 2007, that is a Saturday. Nine A.M. will be the starting time at the same place as always.

This Board meeting is the first of the 'new' Board, so welcome to the new Board members elected at the August club meeting, Ed Pollich and Joan Schumitsch, and re-elected member Scott Makowski. Thanks to exiting members Dick Brunow and Ron Wendt for their years of service.

At this meeting the Board elects the club officers. It's really a shame that more folks aren't interested in officer positions. Most involve little work beyond what happens at the club meeting itself. All Board members and officers are listed on another page in this newsletter. Welcome to new Officers and thanks again to those ending their terms. The hardest seat to fill is Club Secretary, and really the only job is the minutes of the meeting. We have other people who handle publications, membership, smelt and WCSA raffle tickets, AWSC membership reporting... in any case thanks to Bonnie Pollich who ~~was railroaded~~ agreed to take the job.

Also we set up the Board meeting schedule for the year. The meetings are held in the Board members' homes, but guests are welcome (just let the host know you are coming). Meetings are listed on the calendar page for upcoming months, and on the web page calendar for the year.

The Snow Show (Oct 19-21) is making discount tickets available to club members (\$2 off) - orders will be taken at the meeting. Also the club will pay the ticket cost for people working in the WCSA booth at the show and selling raffle tickets, checking coats, or any other club jobs.

## Slivers from the Board, *continued...*

We will have an Open House meeting in November, as was done last year. NEW Snobird memberships will be available for a discounted \$20 cost at the Open House. There are flyers available at the September and October club meetings, if you have a place you can post one, or know a dealer who will, please take some.

The membership renewal forms were mailed, and you should have yours by now. If not, let me know and I'll send another. We extended the time for returning them by a month, but please send them in early. Cost is the same as the last few years. If you belong to another club that pays AWSC dues for you, please fill in the part about secondary AWSC memberships and take off \$10. AWSC is set up to handle this properly now, and it doesn't cost the club anything, we just pay AWSC \$10 less. Unless, of course, you WANT the extra magazine and other mailings.

Our memberships actually increased in number this past year, we had nine new memberships, and six who dropped - ending up with 67 total families this year. We don't like to lose members, and if there's any problem we will try and fix it, but most of these were folks who were moving, or interests changed.
