The Board has been busy with several unrelated items.

First, we have been working on a survey. The Board members all submitted items, Pat Standlee put them together, we all reviewed it again, etc. and now have a final version.

We really want your input, please take the time to complete it!

Membership renewals will be going out shortly. The dues remain at \$40 for new members and those without hours, and \$30 for those with time worked on projects. (Yes, that's different - it's a reflection on lower income from the smelt fry and raffle ticket sales, and higher expenses.)

The "Open House" meeting will be a winter planning meeting this year - the number of members joining as a result of the meeting didn't really justify the cost of the event, food, membership discounts and such, so we are trying something different.

The Christmas party planning is in progress, we are trying to hold the cost down as close as possible to previous years, and we like the location. Let us know on the survey what you think.

Safety classes have been planned, the schedule is on the calendar. Scott has a one-day class at the Snow Show, and we have the usual three-night classes in December and January. Congratulations to DeAnne and Pat Standlee who have completed the requirements and are now certified as instructors.

WCSA raffle tickets are available - the club will continue our bonus plan. Once you sell 20 tickets you will get one free ticket submitted in your name for each 10 you sell, including the first 20.

# Adopt-a-Highway

## July 11, 6:00 p.m.

These pictures, and the cover photo, are from July 11th.

We had a good-sized crowd, finished promptly, and had a debriefing at Whiskey Corners with fellowship and discussion. This is one of our service projects but we have a good time, and you have one more chance this year to join in.

The last Adopt-a-Highway for the year will be on Saturday October 26th, leaving Whiskey Corners promptly at 9:00 a.m.

# Snobird Campout

## July 26 - 28

Wilderness Campground, Montello WI

We had a relatively small group, only a little rain, but a bit cold. An interesting place to camp, visited an Amish bakery on Saturday, lots of folks coming and going, lots of bakery consumed in the parking lot, too good to make it home!

# PICNIC !

## Saturday August 10th

Hosted by Al Schultz at his residence on Pewaukee Lake. Some members we had expected to see didn't make it - maybe next year!

There were boat rides, members sharing stories and goodies. The main course was hamburgers and brat patties - we'll have the leftovers at the corn roast.
