At the last meeting, we received a preliminary report on the membership survey data collected so far. There are still quite a few folks who have not responded, please return the survey and let us know your thoughts. We really want and appreciate your input.

Our club insurance is changing, General Casualty is no longer writing this type of policy, we have several choices with West Bend Mutual being the local company that wants our business. Our representatives to the AWSC workshop should have some additional info for us.

Adopt-a-Highway is finished for the year, our last cleanup ended with a picnic, which was held indoors due to the temperature.

The Christmas party is definitely on for a month from now, please get your \$5 deposits to Scott (refunded that night!) so we have a good count - there's an article in this issue.

Our December and January safety classes are scheduled, are on the DNR website, the warden has said when he will be there, and we have the materials for December. Please tell anyone you know who might need a certificate. The one-day session at the Snow Show had 72 attendees - a full room. We are looking at a local ride in February aimed at the graduates of our safety schools, and possible new members. We also helped at the WCSA booth and coat-check at the Snow Show, selling quite a few tickets and also possibly attracting some members. Tickets for that raffle and the AWSC raffle are available if you want any to sell - it's a no-risk fund raiser for us. Remember you get a ticket submitted in your name, for free, for every 10 WCSA tickets you sell, after selling 20.

For any potential new members attending our planning meeting, **THIS ONE**, remember we have a \$30 membership special for this night only, welcome and consider joining us. We are an active club and have four snofaris scheduled so far and more rides to come.

# Adopt-a-Highway 2013

Another year of Highway cleanup has come and gone. We cleaned the highway on May 11, July 11 & October 26. We averaged 15 – 20 people for each of the highway cleanups. That is a total of roughly 80 hours of volunteer work and 15 bags of trash. We ended the year with a picnic lunch at Pat & De Anne's house after the October 26<sup>th</sup> cleanup. Please consider coming out to help next year. We supply everything you need (trash bags, work gloves, safety vests, trash poker sticks), unfortunately we can't predict the weather. Thanks again to those who participated and hope to see everyone again in 2014.

# SAFETY SCHOOL

## Gary Breuckman

The Snobirds will again be offering snowmobile safety classes this winter. The classes are conducted by qualified instructors, from the Snobirds, who are certified by the State D.N.R.. Satisfactory completion of the class meets the D.N.R. requirements.

“Any person who is at least 12 years old AND who is born on or after January 1, 1985 is required to possess a *valid Snowmobile Safety Certificate* in order to operate a snowmobile on public trails, lands or frozen waters. You must carry the certificate while riding and you must display it to a law enforcement officer when requested.”

As this training is important to public and personal safety, a parent or guardian is welcome to attend with their student without paying a fee, unless they also wish to be certified. There is a \$10 fee for registration and D.N.R. safety materials. The course consists of three evening classes with subjects of snowmobile laws, ethics, terminology, maintenance, clothing, first aid, environmental and ecology problems.

We have two sets of indoor sessions scheduled this season. Total cost is \$10.00

The first set will be December 4, 11 and 18 at the Menomonee Falls Community Center, W152 N8645 Margaret Rd in Menomonee Falls.

The second set of classes will be on January 8, 15 and 22.

For reservations call Gary Breuckman at 414-442-4279. Classes run from 6:30 p.m. to 9:30 p.m. each night, and you must attend all three sessions to be certified.

# One Day Safety Class

## Scott Makowski

Our THANKS to all the instructors who volunteered their time to make this a successful SnoBird venture for the 11<sup>th</sup> year in a row.
