Look at all the stuff we did this summer, while other clubs were just sitting around waiting for winter... Besides our Smelt Fry, which was fun along with a lot of work, and which also helped cover the cost of much of the rest, we've had two Brewer's Games, a camping trip to Plymouth Rock, three adopt-a-highways, a picnic, and a corn roast. Before we get down to more snomobile related things, we have one more - the Christmas Party. Please come. Your hard work paid for it, there's no cost to you, and it's both a good time and good food. You should have the date open, since it's on our regular meeting night, December 13th.

So, now to more snow related things - we have a snow show coming up, safety classes, an AWSC Workshop, four Snofaries so far, and to finish up an AWSC Convention that's right in our home court, at Potawatomi Casino and Hotel March 24 to 26. If you've not gone before because of the distance, or the room costs (you can commute!), you could plan to drop in or help with Waukesha County's planning for the weekend. Get a personal look at what the state organization is all about.

And of course we are planning on yet another Smelt Fry on April 21st. This will be our 48th annual Smelt Fry. Think we'll make it to 50? We will if it's what you want, and if you continue to provide the help needed to run it. It all depends on you. The Board can't do it by themselves. This has to be one of the longest running Smelt Fry events in the area, anyone ever check that out?

So next is the one day safety class at the Snow Show. If you know someone who needs the class, this is their only opportunity to complete it in one day.

# Mole Lake Snofari 2017

## Friday Feb. 3rd - Sunday 5th.

The Snobirds have been having a Snofari in the Laona/Carter area for many years. This year we will be staying at the Mole Lake Casino Lodge and Conference Center, a 75 room lodge with an attached casino. Some of the crew will be arriving Thursday Feb. 2nd. The website is

<http://www.molelake.com/Hotel/RoomRates.html>  
and the number to call for reservations is 877 478-5772. The block name is SNOBIRDS. There are several room configurations available.

We plan to have informal hospitality in one of the rooms on Friday and Saturday evenings. There is also a large swimming pool area for relaxation. The Cafe Manoomin restaurant is located in the attached casino building. The Mole Lake Lodge has a gas station adjacent to the grounds, which stays open late. The entire area has an excellent network of trails, and is known for very rideable trail conditions especially at that time of year.

If you have any questions, please give me a call 414 379-2362  
Dave Rowley.
