Trailer SnoBird 'license plates'

Dave Maas is taking orders for these, he would like the orders by the July Club Meeting for first delivery. There may be an opportunity to order again later but you should try to get in the initial order if you want one or more. Samples are available to see at a meeting, These are printed on an aluminum plate, similar to a car license in weight and size. Dave can be reached at a meeting or by phone at 262-251-5015.

Our 50th Annual Smelt Fry is over. The numbers were down some, but we still made some money with our fundraiser. The Smelt Fry itself doesn't make much money, we haven't raised the price for three years, but it brings people in to play the raffle and purchase beer and soda.

Later, there will be a 'gathering' for members who want to help with the planning for next year's Smelt Fry, or to suggest a replacement event. Watch your email for information.

Adopt-a-Highway is underway, one session completed two more remaining. If you are available come out and help Thursday evening July 11th or the final session on Saturday October 5th.

It's not too early to think about elections for the Board. Our Board of Directors has nine members, serving three year terms, three positions expire each year so we have some continuity year to year. If you would be interested in serving on the Board, nominations are due by the July 23rd Board meeting, and elections are at the August Corn Roast / Club meeting.

We have two safety schools planned. First there is the one-day class held at the Snow Show on October 19th. This is the only one-day class authorized by the DNR in Wisconsin, and a chance to finish quickly. Advance registration, payment, and studying of the manual before the class is required. To register contact Scott Makowski at 262-255-5652.

The second class will be with the Menomonee Falls rec department on January 8, 15, and 22. Three nights give students a better chance to absorb the material and review in the weeks between, especially younger students. To register contact myself (Gary) at 414-442-4279 or you can register online at <http://gowild.wi.gov/>
