

Hello Snobird,

July 2020

Here's what's going on, to bring everyone up to date...

First, Board Elections are coming up - we are in dire need of members willing to serve on the Board. The Board has nine members, three are elected each year to serve a three-year term. Club Officers are elected by the Board. We have nine Board meetings per year, that's your only commitment. If you would be interested in running for the Board or being an Officer of the club, or know someone who might be interested, please let a Board member or Officer know.

Gun Raffle - while Covid-19 may have cost us some sales, most of the tickets were sold. As the State of Wisconsin requires the date, time, and location of the drawing to be on the tickets, we did hold the drawing in the parking lot of the Village Bowl at the time specified, Village Bowl still being closed at the time.

The raffle does not make as much as the Smelt Fry, and was intended originally to supplement the income from the Smelt Fry. As the Smelt Fry couldn't happen this year, it was fortunate that we had this for a backup. The next question will be "should we do it again" either as a secondary fund-raiser or in place of the Smelt Fry.

Highway clean-up will be held on Saturday, July 18 at 9 am. The crews will leave the Whiskey Corners parking lot promptly at 9 am. There will be refreshments afterwards. Come for a short walk down the highway and help clean our chosen section of roadway.

Picnic - The club picnic will be on Saturday August 8<sup>th</sup> at Willowood Park. Please take note of the changes, made as discussed earlier at meetings in an effort to keep our budget balanced and have each event be financially independent.

- ◆ Please tell De Anne Standlee if you are coming, so we have a count for planning purposes. She is available at meetings or call 414-510-1203.
- ◆ Cost is \$5.00 per adult, on arrival at the picnic. We do not want to collect in advance should there be problems, Covid or otherwise, that make it necessary to cancel.
- ◆ The Club will provide meat, buns, and condiments. What types of meat will depend on what can be found on sale just prior to the picnic.
- ◆ MEMBERS should bring beer and soda for yourself, and any snacks or desserts you would like to share and pass.
- ◆ We have the usual shelter, tables, and restrooms will be open.
- ◆ Please bring any games or lawn chairs you might want.

Thank you, hope to see a good crowd there. There is plenty of room to spread out and provide social distancing.

The club elections & corn roast will be on Tuesday, August 11, we will have brats hotdogs and leftovers from the picnic. If you can bring any snacks or desserts to pass that would be appreciated. The Corn Roast will start at 6 pm, followed by the meeting and elections. Don't forget to bring your lawn chairs to the Corn Roast.

The one-day safety class at the Snow Show, October 17th, is currently confirmed and is taking student reservations. Limited to 25 students due to Covid restrictions. To reserve a place call Scott Makowski at 262-794-3061. Our usual January class is looking at what rules we will have to follow to hold it - the MF Recreation Dept wants us to run the class, we will see how it works out.
